Please submit images on a CD indelibly marked with competition date, member's name and number of images clearly indicated. Save images for different categories in separate folders.

Example: **Open Colour, Open Mono, Flora and Fauna, Intermediate**. This greatly assists the competition secretary.

The Competition Secretary will check that the following conventions are complied with:-

1. Are the images all JPEGs
2. Check that the size of all images does not exceed **1600 pixels wide** x **1200 pixels high** (or the software may display the image incorrectly.)
3. All Titles are in CAPITALS – followed by a space and the word **by** in lower case followed by a space followed by Author name (in any case you desire;)

If all these criteria are met then the images are eligible for judging and we wish you success in the competition.

If the above criteria are not met then the computer software may not project it.
