Travelling from the North:

Leave the M1 motorway southbound at Junction 26. Follow the signs showing A610 Nottingham. After approx third of a mile use left or middle lane for the island and continue on the A610 Nottingham. At the next island use the middle lane and yes, still use the A610 Nottingham. You will travel through several sets of traffic lights until you see a large sign showing the Ring Road left and Right. Take the right hand lane and turn right, signposted towards A52 Derby. The next island take second exit, this crosses the B690. You are still on the Ring Road towards A52 Derby. At the next island (which is in fact two now joined into one) use middle lane, follow the main Ring Road to the right then left, shown as A52 Derby. Further on you will see a slip road signposted to the left for the A52 Derby. Take this slip road but at the island / junction turn left towards Nottingham City (Derby A52 is to the Right).

The road now has a red coloured bus lane on the left and approx. two tenths of a mile the bus lane ends, turn left into Wollaton Hall Drive, follow the road for a short distance and the entrance to the Church and Church Hall is on the left.

On leaving it is best to turn left out of the church drive and at the end, turn left again and you are now on the Ring Road approaching the last island above.
